TECHNICAL DATA

Specifications

Size 1" and 2"

- End Connection threading
- Pressure Rating – Cast Iron Models ANSI 125
- Operating Pressure Range -- Cast Iron Body
0.1 – 16 Kg. / an2 (1.5 – 225 PSI)
Temperature Range
Water 4-80°C (40-180 °F)
- Materials.
Body : Cast Iron
Seats : EPDM and NR
Floats : Plastic
